

# Chairman's Report

2023/24 was a particularly good year for all Aquatic disciplines within Hampshire.

Competitive swimming saw a very exciting County Championships held at Winchester and Mountbatten Centre.

Hampshire again performed well at the Inter Counties Team Championship maintaining their Division One status.

Hampshire Masters won the South East Regional Team event.

In Diving Southampton Diving Club had yet again another successful season, with Robbie Lee competing at both Junior and Senior International events.

Southampton Diving Club also took both awards for County Coach and Swimmer of the year.

Waterpolo is going from strength to strength, with the Hampshire Waterpolo league gaining more clubs.

Winchester Waterpolo Club is proving extremely popular with the younger age groups, and Southampton competing well in the National Leagues in both Men and Women.

Artistic Swimming is also proving to be popular with Rushmoor Artistic Swimming Club growing and competing at higher levels.

The County has stabilised through 2023 after coming out of Covid Lockdowns, which proved challenging for both County and Clubs alike.

I'm excited to see what 2024/25 brings, hopefully lots more success for all our swimmers and coaches across all the disciplines.

Graham Cawte  
Chairman  
Hampshire County ASA
